

# **National Nursing Week**

## **is May 12th -18th**

The Registered Nurses Association of Northwest Territories and Nunavut represents over 1200 Registered Nurses and Nurse Practitioners who are providing nursing care in the north.

Nurses are improving clinical care, leading advocacy work and advancing technological innovation in all practice settings. Nursing Week is a time to celebrate the diversity and achievements of northern nurses.

Join us in thanking nurses for their contributions to the public and profession of nursing.
